Additional Comments for Anton Brinckwirth

Comments

Prof. Brinckwirth is very passionate, and a wonderful professor. I very much enjoyed his class this semester, and would recommend him to anyone.

Professor Brinckwirth is great!

I think the most valuable aspect of this course was the weeking teletandem conversation. This was a well-executed, straightforward way to improve Spanish conversational skills and speaking confidence. I very much appreciate Professor Brinckwirth for his efforts to provide us with such a great weekly opportunity for Spanish immersion. I rate this course as good only because I feel that it could have benefitted from an additional one or two assigned movies. I think the class was held back a little bit by its adherence to the list of movies assigned. Even if more movies were assigned as extra credit, or with written responses as opposed to the quizzes, I think the film aspect of this course would be a little more challenging and engaging for the best. That being said, Professor Brinckwirth is truly commendable for his ability to engage in thorough analyses of each film to create a vehicle (through teletandem) for fulfilling Spanish conversation.

Thank you!

This has been the best Spanish class I have ever taken. Thank you for your undying passion, empathy, support, and wisdom. Not only has my comprehension and confidence excelled in this class, but my overall knowledge of social issues that plague communities worldwide has grown. I am very grateful to have had a professor like you that is so dedicated to informing his students about social issues in a way that encourages us to be active members of our communities and work to break through barriers.

Mr. Brinckwirth is a very passionate and it truly show how much he loves to help and teach students. I have truly learned a lot from his class and due to his amazing teaching skills I feel as I have learn a lot in this class even though I did have an medical emergency in the middle of the semester and had to miss 2 week of class. Mr. Brinkwirth was very helpful and I was able to catch up, make up all my work, and still receive a good grade in the class. It was not easy but due to his help, he made it very manageable and possible for me to get everything done. I truly appreciate his passion for his work and it truly shows in his actions. I truly feel their should more professors like Mr. Brinckwirth.

Thank you for being so kind and interested in how we are doing and making sure we are doing okay in your class.
