He is awesome and super helpful.
Gracias por tu tiempo de enseñar el español en una manera que es muy creativo, genial y importante. Tu conocimiento del español es algo que me ayudará en el futuro. ¡Muchísimas gracias!
I loved the opportunity to do Teletandem with foreign students to be able to speak Spanish with them. All the films were interesting, but Dr. Brinckwirth seemed to usually be the only one to talk in class. Although he tried to engage students, it typically ended up just being him talking, maybe this was due to timidness of students?
I loved this class and the professor so much and would recommend it to anyone, whether or not they like cinema specifically. The topics the movies touched on were all so different and needed to be talked about, so I'm glad we watched the ones we did. Overall, one of my favorite courses.
This professor clearly loves what he is teaching and genuinely cares for his students. The teletandem sessions with Mexican and Colombian students were a particular highlight of the semester than strengthened by Spanish skills overall and allowed me to make international friends.
